R: Request for bilateral room reservations from U.S. Delegation

Dear Hodayah,

It should not be a problem to make an exception to book a bilateral room for Saturday for your internal Briefing, however, this depends on the availability of the room.

I will do my best to try to book it for you.

Dear Mauro,

I understand your answer. My question is whether there is a possibility to make an exception for Saturday from noon to 1 pm.

Are all the bilateral rooms already booked for Saturday from noon to 1 pm?

Best, Hodayah

Dear Hodayah,

This is to remind you that bilateral rooms are reserved for bilateral meetings between delegations.

For internal meetings, you will have to use the office space assigned to your delegation.

Best regards,

Dear Mauro, is it possible to confirm use of one of the bilateral rooms for Saturday from noon to 1 pm for the US delegation to meet?

I know you were waiting to find out if the bilateral rooms were going to be otherwise booked. Hopefully by now there is clarity? I anticipate that ministers will still be arriving/ not have arrived yet and that there is availability.

This meeting room request is a priority. We very much appreciate whatever you can do to help confirm a room today.

Best Regards, Hodayah

Dear Mauro,

Thank you in advance for your support of our delegation. We look forward to working with you. The U.S. delegation would like to request and reserve the use of one of the bilateral meeting rooms during the following dates and times please. We understand that there will be several bilateral meeting rooms which are available on a first-come, first-serve basis, so we hope this email will serve as a reservation. Please do confirm when you are able and let us know which of the rooms we should expect to be available.

Many thanks!

Alexis
